American Recovery and Reinvestment Act of 2009

ENERGY BILL DETAILS

On February 17, 2009, President Obama signed The American Recovery and Reinvestment Act of 2009. The tax credits that were for a specific dollar amount (ex \$300 for a CAC), have been converted to 30% of the cost including installation. The maximum credit has been raised from \$500 to up to \$1500 for the two years (2009-2010). The maximum amount a taxpayer may claim for all qualifying energy efficient home improvements, including the purchase and installation of a Takagi tankless water heater is \$1500 over the lifetime of the credit (2009-2010)
